Please provide this report to: Chris Blake, Community Solution SE

This form must be received by April 30 for review so that repairs may begin by June 1. Repairs to neighborhood fences will be done at one time.

Please note: Ivy and other vines damage fences. After August 1, 2008, any repairs needed due to vines or other owner caused damage will be done through Community Solutions at the expense of the owner.

Fences are the responsibility and property of the Pepper Tree HOA. Fences will not be stained, painted or repaired without permission of the HOA via notification from Community Solutions.
